Date Margaret Mary's 8<sup>th</sup> August 2022

## Hi Everyone

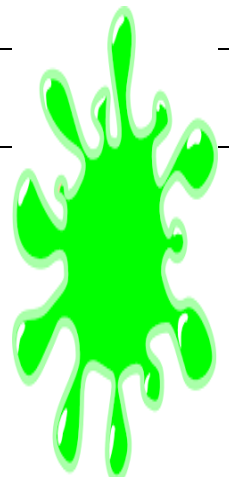

This week we are focusing on Saving Our Environment - Reduce, Reuse, and Recycle, cut down on what you throw away. The children have been creating posters on recycled papers, made a recycling bin, planting vegies in our OSHC garden and making signs for our taps (Save Water).

Next week the children are excited about National Science Week, why is Science Important??? We are going to be implementing a range of fun and easy activities and experiments. The program will provide opportunities for children to explore, experiment and further develop a sense of wonder through science.

### Week 4 – Science Week

Monday	Corn flour slime with Poppi, Oil Water Experiment
Tuesday	Puff Paint Pictures, Basketball Match -Boys V Girls
Wednesday	Fizzy Sherbet, Lifting Fingerprints with Forensics
Thursday	Make a Volcano, Let's Make Pizza's
Friday	Friday Fluffy pancakes, Why Popcorn POPS?

Please phone Camp Australia 1300-105-343 for bookings, rebates will apply.

To find out more about the program, view fees and to register, visit
