### **Reports**

Over the past few weeks, teachers have been busy preparing your child's Semester 2 report. On Monday of Week 9, your child will bring home their Semester 2 Report. These reports summarise the assessment from Semester 2 in the Key Learning Areas. The reports contain important information on your child's strengths and challenges and are more than a list of 'grades', they include your child's application to learning and other school achievements. A 'satisfactory' result is what is expected at your child's year level. I encourage you to carefully read your child's report and come and speak with your child's teacher if you have any questions.

### **Transition Visits**

We have been welcoming many new faces to our community over the past few weeks during our transition visits.

In Week 9, we will have our whole school transition where your child meets their new class and teacher for 2024. I'd like to remind you of the complex process that is involved in class placements. All students are given an opportunity for input into their placement, these are taken into consideration. Parents were given the opportunity in term 3 to share any learning or other needs that we may not have been aware of. Each year teachers spend a great deal of time looking at class placements for the following year. This process takes many things into account. First and foremost, we take into consideration the learning needs of *all students*. We aim to ensure classes are 'balanced', by also taking into consideration a balance of gender, progress and levels of children's learning, children with specific needs (social/emotional, learning and physical), relationships and family considerations.

*Remember, your child's best support may be someone they have not yet met!*

## Thank you

Thank you for your ongoing support during the year. The last 2 weeks of school are very busy, but a wonderful time to celebrate as a community. I hope to speak with all of you during our events in the next couple of weeks.

Dear Families

The end of the school year is not far away, and Christmas is fast approaching – there's only 24 more sleeps!

### Sickness & Tiredness

As we approach the end of the year, we all get tired and sometimes sick too. We have had many students go/stay home with gastro and coughs and colds recently with visible symptoms of runny noses, loud and persistent coughs and stomach aches. **Please remember that if your child is unwell, they must stay home. If your child has gastro or vomits, they cannot return to school for 48 hours**, even if they no longer have symptoms. This is for the care and respect of everyone in our community.

Dear Parents and Caregivers,

On Sunday, we begin the Season of Advent, in preparation for Christmas and the birth of Jesus. In the Church, Advent is also the

beginning of a new liturgical year, which will be Year B. At school, our prayer table clothes will change from green to 'purple' (the colour of the Season) and we will also begin to display nativity scenes and Advent wreaths. Advent is a Season that reflects the hope, peace, joy and love that surrounds the birth of Jesus.

### St Vincent de Paul - Christmas Appeal Donations

Thank you for the generous food donations we have received already for the Vinnie's Christmas Appeal. The Vinnies Christmas Appeal is our whole school social justice and outreach focus for Term 4. I have provided some ideas below if you would like to contribute to the donations under the 'Giving Tree' in the main entrance area.

### Community Event

On Wednesday 6 December, the Vinnies Giving Tree and baskets will be placed outside the parish hall for our community event. Upon arrival, any families who wish to offer any final donations are welcome to place them in a basket as you enter the courts area.

From Thursday 7 December, Vinnies volunteers will then begin the process of sorting hampers in readiness to distribute to local families in need this Christmas.

### End of Year Mass and Outreach Day Fundraiser

The End of Year Mass and Outreach Day fundraising event will be held on Friday 8 December. This year, we are raising awareness and funds for the charitable works of 'Mary MacKillop Today.' Mary MacKillop Today, helps to uphold the dignity of thousands of children and families across Australia and throughout the world.

### Purchasing Outreach Day Tickets

From Monday 4 December to Thursday 7 December Year 5/6 students will be visiting each classroom to sell tickets. Students are invited to bring in money throughout the week to purchase tickets for the stalls. Each ticket purchased costs \$1.00.

On Friday 8 December, the Year 5/6 stalls will be available during first and second play breaks.

The items and activities offered at each stall will cost 1 ticket. Please note that no money will be exchanged at the stalls on Friday. All funds raised will then be donated to Mary MacKillop Today. Thank you once again for your ongoing generosity and support.

### 2024 Sacramental Program

I have been visiting our Year 3 to Year 6 classrooms to speak about the 2024 sacramental program. Hard copies of the information, dates and registration form are available from the front office and our Year 2 families have received electronic copies via SeeSaw.

In 2024, if your child is in Year 3-6 and has previously been Baptised, you may like to consider being a part of the sacramental program. If you have any questions, please contact the office or send an email to [matthew.harrison@smms.catholic.edu.au](mailto:matthew.harrison@smms.catholic.edu.au) .

Have a good weekend everyone.

## Children's University Pizza Party

This year's Children's University graduates enjoyed a pizza party lunch today with Mrs Blazely and Mrs Elliott. Congratulations to all those students who took part in Children's University this year, and a big thank you to Mrs Blazely for all her hard work.

If you are interested in joining in 2024, watch out for the Children's University note at the beginning of the year.

# Angolo Italiano

A productive term indeed! Students have been immersed in learning about Christmas traditions & customs in Italy.

Primary students have almost completed their Natale fact file and senior students are creating beautiful Christmas cards for our Italian parishioners and residents at Bene Aged Care.

## Hi Everyone

This term we focused on recycling and programmed lots of amazing activities for the children to be involved with. We collected materials like empty bottles, cardboard, and paper rolls.

Encouraging the children to use these materials to create art or crafts.

This not only promotes creativity but also emphasizes the concept of reusing items.

This means putting paper, plastic, and other stuff in the right bins. Recycling helps us use less and take care of our planet. We have special bins for different things, so we learn to sort our waste. Our teachers teach us why it's good for the environment.

It's like a small way we can all help make the world a better place.

We are thrilled to announce the launch of the Rocketeers Holiday Club on December 14th! The holiday club promises an engaging and fun-filled program for students during the break. Activities will include educational workshops, creative arts and crafts, sports, and much more. It's a fantastic opportunity for your child to make new friends, explore new interests, and have a memorable holiday experience.

Bookings are now open for the Rocketeers Holiday, please visit Camp Australia's website or contact Camp Australia's office for more information.

### **Why is this site so significant?**

In 1977, trailblazer Helen Oxenham OAM created one of the first women's shelters in South Australia at Christies Beach. She did this in partnership with her two close friends, Peggy Robinson and Josie Harvey.

An advocate for women's rights for over 40 years, Helen founded Spirit of Woman in 2015 and conceived 'The Place of Courage' – Australia's first public tribute to the victims and survivors of domestic and family violence.
